Report of Principal and School Improvement Council

Pee Dee Elementary focused efforts upon improving student engagement for learning. Technology, Positive Behavior Intervention Support (PBIS), and differentiated instruction captured the Staff's energy and dedication. SMART Boards were added in child development, kindergarten, and most special education classrooms. Every classroom had a laptop and projector, and teachers designed their own web sites. Our students enjoyed earning honey money this year for demonstrating ready, responsible, and respectful behavior. Classroom and individual student incentives were given throughout the year. Monthly analysis of discipline information, staff discussions, and work with a PBIS leadership team helped reduce discipline referrals by 8%. Support was given through individual and group counseling sessions, classroom guidance, and health services. Differentiated instruction helped to meet student needs and promote deeper and sustained learning. We worked with a reading consultant and a math consultant. District learning specialists helped support our action steps. Reading workstations were added providing collaborative opportunities for students in reading comprehension, vocabulary, phonics, phonemic awareness, and fluency with Imagine It!, a phonics program in grades K-3. Math games, use of manipulatives, and supplementing for basic fact mastery were evident in our classrooms. A record number of teachers applied for National Board Certification. Parents attended evening school events designed to promote at-home learning activities. Volunteers doubled this year. PTO supported efforts within the school including a morning computer tutorial lab, providing needed classroom materials, and promoting family involvement. School Improvement Council helped prioritize next steps for our school. Our contribution to March of Dimes was close to \$9000. Essay and art contest winners achieved a new record this year. Students in upper grades set goals, and a record number reached and exceeded their yearly growth targets. Our challenge was to show significant improvement, and PDE best captures the group effort and dedication of everyone to make our noteworthy improvement! Cheryl Banks, Principal; Homer Schofield, School Improvement Council Chairperson
